BOAT, MOTOR AND TRAILER PRIZE DRAWING

Century 1800 Center Console boat with a 115-H.P. Yamaha engine and a Performance trailer.

Each boat that brings in an eligible fish over the minimum weight or a release photo of such receives an entry into the boat/motor/trailer drawing. The fish does not have to appear on the board. (Two fishing days means a chance to receive two entries.) The same rules apply to Offshore Tournament participants. Both inshore and offshore participants will be combined in a single drawing for the boat package at Sunday's awards presentation. The winner must be present to claim the prize. The entrant will have two minutes to claim the prize before another slip is drawn. The winner is responsible for taxes.

TOURNAMENT WITHIN A TOURNAMENT (TWT)

(10 percent of all TWT entry fees will go toward running the tournament)

Winnings under TWT are awarded in addition to the general tournament winnings. Only entrants officially registered in the general tournament may enter the TWT, and only the entrant may claim the winnings at the awards presentation. General tournament entrants must enter a TWT category to be illegible to win in that TWT category.

All rules pertaining to the general tournament shall apply to the TWT. Participants may enter one or more categories.

CATEGORY 1

\$100 entry fee (in addition to General Tournament entry fee and is OPTIONAL)

All prize money in this category will be paid to the top three boats with the three heaviest fish on the board at the end of the general tournament:

First-place entrant — 45 percent

Second-place entrant — 35 percent

Third-place entrant — 20 percent

Example:

50 boats entered x \$100 – 10% = \$4,500 up for grabs.

1st Place would win \$2,025.

2nd Place would win \$1,575.

3rd Place would win \$900.

OPTIONAL RELEASE INSHORE SLAM TOURNAMENT

This will allow FishStock to have Tarpon, Bonefish, Trout, Permit and Snook as release categories, but the tournament will be separate from the general tournament. The event will include a Slam Challenge Category that caters to the experienced fishing person. Cameras will be provided to participants in this category only. Each species will have points associated with it. The boat that accumulates the most points wins. In the event of a tie, the heaviest general tournament fish weighed in among the tied boats for this category will be declared the winner. (See tournament rules for more details.)

No points for this category will count toward the general tournament.

\$200 ENTRY FEE

The prize money for this tournament will depend on the number of boats participating: The number of boats times the entry fee less 15 percent for cameras equals the total payout. The total payout will be awarded as follows:

The entrant in this category with the most released points scored during the general tournament:

First-place entrant in this category receives: 45 percent

Second-place entrant in this category: 35 percent

Third-place entrant in this category: 20 percent

To participate in this TWT, you must be entered the general tournament.
