## 2004 Panama City Inshore Tournament Rules

### ENTRY FEE and REGISTRATION

There are two methods of entering the tournament. Anglers can mail a completed entry form with a personal check, credit card, or money order payable to: **World Sports Marketing LLC, c/o Panama City Mercury Outboard Inshore Tournament**, 460 N. Orlando Ave., Ste. 200 Winter Park, FL 32789. They may also hand deliver the same materials to Jim Wilson, tournament director, at the Panama City Marina. The first 125 entry forms received at this address will be accepted for registration. Entry forms received after boat number 125 will be placed on a waiting list in the order received.

The entry fee is \$100. The entry fee covers the boat and all anglers on the boat. On-site registration will be accepted up to Friday, August 13, 2004, at 8:30 p.m. at the registration desk during the Captains' & Anglers' Party at the Panama City Marina. **No entries will be accepted after 8:30 p.m.** Entry fees are not refundable.

This is a boat-registration tournament. At the check-in desk, each boat will be given an identification number to be displayed on the boat. Only officially registered boats can compete in the tournament. Tournament management must approve any boat changes prior to 8:30 p.m. at the Captain's & Angler's Party. Entrant's social security number is required on all applications.

### BASIS OF AWARDS

Eligible fish species for the tournament are **redfish and trout**. Category winners will be for the three heaviest fish totals in each of these categories. Top boat awards are based on combined weight of both categories. Each boat is allowed to weigh two legal redfish (18" – 27") and two trout (15" minimum) per day. Every effort must be made to keep redfish alive. Any redfish weighed that are not alive will receive a one-pound deduction. Winners may be subject to polygraph examination. All cash and merchandise awards will be made to the tournament entrant.

### TYPES OF AWARDS

Cash, trophies and merchandise will be awarded to the top three boats overall, the top three category winners and the motor drawing winner. The entrant must be present at the awards presentation to receive their award. Exception due to hardship will be made at the discretion of the tournament management. If an exception is granted, it will be the sole responsibility of the winner to arrange for pickup of all merchandise awards at their own expense within 30 days after the awards presentation.

### OPTIONAL TOURNAMENT WITHIN A TOURNAMENT DIVISIONS

Winnings under the optional Tournament Within a Tournament (TWT) divisions are in addition to the General Tournament winnings. These are separate tournament divisions available only to participants whose boats are already entered in the general tournament. Only the entrant of the tournament may claim the winnings at the awards presentation held on Sunday. All rules pertaining to the general tournament shall apply to the optional Tournament Within a Tournament (TWT) division. If you enter each category, you may win in each category. Sign up by mail with your entry or at the optional Tournament Within a Tournament division table at the Captains' & Anglers' Party.

### FISHING RULES

This tournament will be fished in accordance with the Florida Fish and Wildlife Conservation Commission rules for size and catch limits, (see: [www.floridamarine.org](http://www.floridamarine.org)). All participants must fish from the boat. No tournament boat may leave the water before weigh-in unless there is an emergency. All fish must be weighed in on the day caught. All tournament fish must be caught on rod and reel. Any state law or United States federal law that conflicts with these rules shall override these rules, and all anglers are responsible for knowing and abiding by state laws and United States federal laws governing fishing in this tournament.

Tournament management reserves the right to modify/change the rules prior to any tournament. All decisions made by the tournament management are final.
